

2025 Virginia RMT schedule.

Generally, 2nd Tuesday of each month. All originate at VDEM via IPAWS except March, which may originate on NOAA Weather Radio and then will be relayed by the LP stations which you monitor.

January 14, 2025 1045

February 11, 2025 0045

*March 11, 2025 0945

April 8, 2025 0045

May 13, 2025 1045

June 10, 2025 0045

July 8, 2025 1045

August 12, 2025 0045

September 9, 2025 1045

October 14, 2025 0045

November 11, 2025 1045

December 9, 2025 0045

*March RMT may be used as the Statewide Tornado Drill, encoded RMT. If so, then it will be originated by NWS, and passed on to stations via the LP stations.
